

My name is Joey Thornburg, and I have lived in the Shadows for 4.5 years. My wife and I moved from New Orleans and have lived in Ascension Parish for over 12 years. I graduated from Loyola University of New Orleans with a degree in Economics and currently work as an Account Manager for Uline. In addition, I have been a member of the HOA board for two years.

In my spare time, I love to root for the Saints, CrossFit, cook, and uber my two sons to whatever sporting activity is in season.

We have been tempted to leave, but my wife and I are in love with our house, neighbors, and neighborhood and plan to stay here for a long time. My desire to serve on the board was to be a good steward of the neighborhood's finances, improve homeowners' transparency, and better our neighborhood's property values.
